INTERNATIONAL ADMISSIONS

Last updated on: 08/19/2023

Babol Noshirvani University of Technology (BNUT) welcomes applications from students to its more than 70 undergraduate and graduate degree programs. We are thrilled you are considering BNUT as your college or graduate school.

HOW TO APPLY

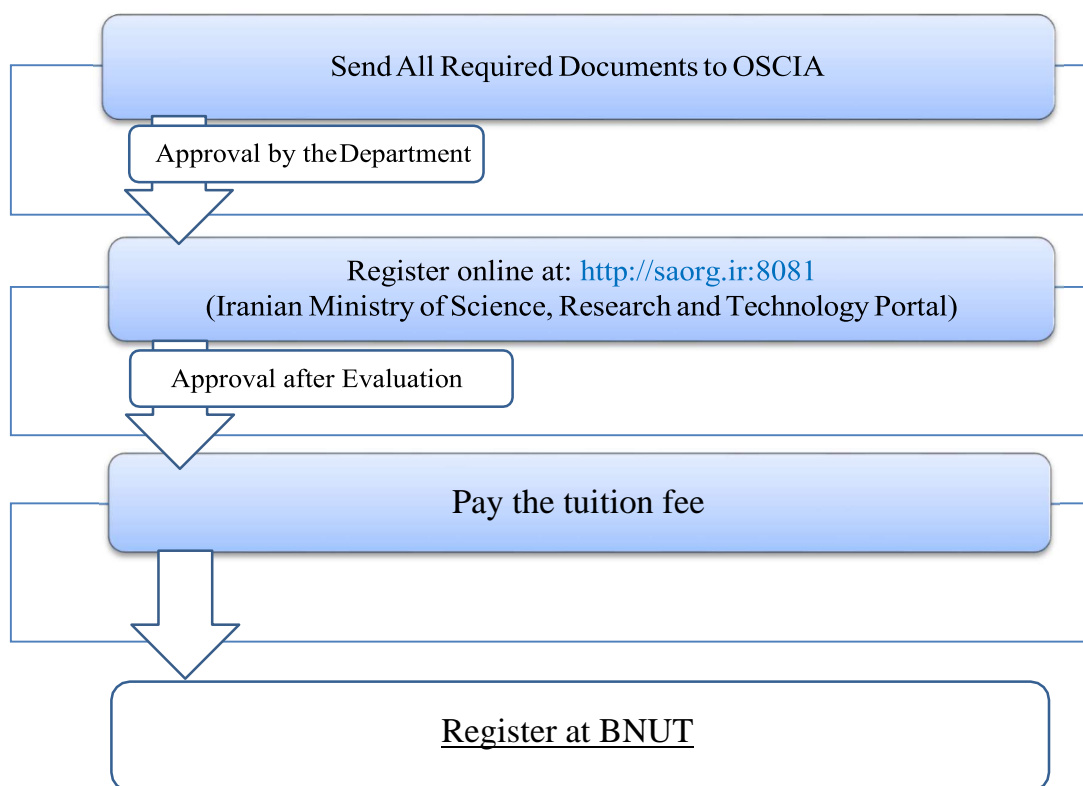

International applicants may contact the Office of Scientific Collaborations and International Affairs (OSCIA) at BNUT to apply to any of the degree programs. All required application documents (see next page) should be received via email.

Contact email: admission@nit.ac.ir

Phone: +981135501075

Fax: +981135501075

The procedure to apply is as follows:

INTERNATIONAL ADMISSIONS

REQUIRED DOCUMENTS

All applicants for B.Sc., M.Sc., or Ph.D. programs at BNUT are required to fill in the application form and submit it together with the following documents, all in the electronic format.

- Scanned copy of the main page of the applicant's passport.
 - *Note: The "main page" is the one that contains the holder's photo and the expiration date.*
- Curriculum Vitae (C.V.), containing complete information on the applicant's educational background, research experience, skills, previously taken courses, achievements, and any other information that may be of interest to the Admissions Committee.
- A minimum of two recommendation letters, together with the complete affiliation and contact information for the references.
- Diploma or Certificate of Graduation for the applicant's B.Sc. and M.Sc. degrees (if applicable).
 - *Note 1: If the diploma or certificate is not in English, an official English translation of the document must also be submitted.*
 - *Note 2: Degrees issued in countries other than Iran must be verified and approved by the Iranian embassy in those countries.*
- Official Academic Transcript for the applicant's B.Sc. and M.Sc. studies (if applicable).
 - *Note: If the official academic transcript issued by the applicant's previous university is not in English, an official English translation of the document must also be submitted.*
- Only for Applications to Ph.D. Programs: Statement of Purpose (SOP), i.e. a short statement of why the applicant would like to earn a graduate degree in Iran, especially at Babol Noshirvani University of Technology.

STUDENT SERVICES

➤ Accommodation

BNUT provides on campus housing in dormitories to a limited number of international students each year. However, since BNUT is located in a nice, yet affordable neighborhood of Babol, inexpensive housing is available within the walking distance from the BNUT campus to all students.

The information about dormitory and food fees can be obtained from [the Office of Scientific Collaborations and International Affairs of BNUT](#).

➤ Health Services and Medical Centers

A comprehensive health service is provided by the Medical Center of the university. BNUT is equipped with a general clinic and an emergency unit, dental clinic, specialized clinic (with internal, gynecology, psychiatry, pediatrics, and dermatology wards) and consultation center.

➤ Sports and Recreation

Besides attending regular academic courses, students are strongly encouraged to participate in various cultural and sports activities. BNUT possesses a multi-purpose indoor sport center.

➤ Food Services

The university restaurant provides lunch services for students during the semesters. A small cafeteria provides cold meals and soft drinks. Dinner is also provided for all dormitories.
